JIANGSU KHONOR CHEMICALS CO., LIMITED

Fine Chemicals | Research Chemicals | Pharmaceutical Intermediates

CERTIFICATE OF ANALYSIS

Product Name	Chlorin e6 (Ce6)
CAS No.	19660-77-6
Molecular Formula	C34H36N4O6
Lot No.	E6-260120
Manufacture Date	2026/01/20
Quantity	10 G
Grade	Research Grade / Pharmaceutical Intermediate
Storage	Sealed container, cool and dry place, away from strong light, heat and moisture

Items	Exam Standards	Results
Appearance	Dark Green Powder	Dark Green Powder
Identification	Conforms	Conforms
Assay	>= 90.0 %	90.7 %

Conclusion: Qualified

Note: This product is supplied for laboratory research and pharmaceutical intermediate development only. It is not intended for human or veterinary clinical use, food, cosmetic or diagnostic applications. Store in sealed container away from strong light, heat and moisture.

This certificate is issued for the above lot only. Any alteration or reproduction of this document without written approval is not valid.
