MATERIAL SAFETY DATA SHEET (MSDS)

Product Name: Phospholipid Health Supplement Food

Recommended Use: Functional food and nutraceutical ingredient

1. Identification

Product Name: Phospholipid Health Supplement Food

Emergency Contact: Not applicable

2. Hazards Identification

Classification: Not classified as hazardous (food-grade)

Label: No pictograms, signal word, or hazard statements required

3. Composition / Information on Ingredients

Component	Typical Content	CAS Number
Phospholipids	≥ 60%	8002-43-5
Other Ingredients (tea extract, sweeteners, stabilizers)	Balance	N/A
Water	Solvent	7732-18-5

Note: CAS 8002-43-5 refers only to the phospholipid component

4. First Aid Measures

Inhalation: Not applicable; avoid dust

Jiangsu Khonor Chemicals Co., Limited

Rm 1902 Easey Comm Bldg, 253-261, Hennessy RD Wanchai HK

+86-19851820538

Skin Contact: Wash with water

Eye Contact: Rinse with water if irritation occurs

Ingestion: Safe in normal dietary quantities

5. Fire-Fighting Measures

Suitable Extinguishers: Water spray, foam, dry chemical

Hazardous Decomposition: Carbon oxides if burned

6. Accidental Release Measures

Avoid inhalation and prolonged skin contact

Sweep up powder and dispose according to regulations

7. Handling and Storage

Store in cool, dry place, away from sunlight

Keep containers tightly closed

8. Exposure Controls / Personal Protection

Gloves and safety glasses recommended for bulk handling

No occupational exposure limits established

9. Physical and Chemical Properties

Jiangsu Khonor Chemicals Co., Limited

Rm 1902 Easey Comm Bldg, 253-261, Hennessy RD Wanchai HK
+86-19851820538

Appearance: Fine yellow to light brown powder

Odor: Mild phospholipid aroma

Solubility: Water-dispersible

pH: 5–7

Moisture: $\leq 5\%$

10. Stability and Reactivity

Stable under normal storage conditions

Avoid strong oxidizing agents

11. Toxicological Information

Non-toxic in normal use

No chronic toxicity reported

12. Ecological Information

Biodegradable

Low potential for bioaccumulation

13. Disposal Considerations

Dispose according to local regulations

Jiangsu Khonor Chemicals Co., Limited

Rm 1902 Easey Comm Bldg, 253-261, Hennessy RD Wanchai HK
+86-19851820538

14. Transport Information

Non-hazardous

No UN number or transport classification

15. Regulatory Information

Complies with international food and nutraceutical regulations

Safe for handling and consumption

16. Other Information

COA, TDS, and MSDS available for **free download**

Information is for safe handling and transport only
